

2015 OCTM State Tournament of Mathematics
February 25, 2017
Sponsored by the
Ohio Council of Teachers of Mathematics

October 2, 2016

Dear Mathematics Educator or Administrator:

I am excited to announce the 44th annual OCTM State Tournament of Mathematics will be held **Saturday, February 25, 2017!** The tournament is sponsored by the Ohio Council of Teachers of Mathematics for the purpose of promoting student interest in mathematics and to recognize outstanding students and high school math programs with monetary and achievement awards.

High Schools may register up to 40 students, with the top 4 student scores making up the school team score. Students in **grades 9 through 12** are eligible to participate in the tournament. Math students can register for the tournament as **independent students** and be eligible for individual student awards **if their school is not sponsoring a team**. So, if your school is not sponsoring a team, please share this information with your outstanding math students so they can visit the OCTM website regarding their participation in the 2017 tournament.

Tournament testing will be administered at over 20 sites strategically located throughout Ohio. The registration fee this year is **\$5.00 per student**. Please mark these dates:

- February 13, 2017 – Deadline for registration without late fee (must be postmarked by this date).
- February 21, 2017 – Last day for registration and must include a \$25 late fee

Complete tournament information can be found at www.OCTMTournament.org. Please note that tournament registration payments in the form of a **check made payable to OCTM** should be mailed to the following address. Unfortunately we cannot accept purchase orders.

Chris Bolognese
OCTM Tournament Director
187 East Tulane Road
Columbus, OH 43202

All coaches should **visit the website as soon as possible** to review and/or update their school and personal information. Current coaches simply need to login with their username and password. New coaches will need to sign-up at the “School/Coach Info.” page in order to create a username and password.

If you have any questions, please contact me by email via the website. I look forward to your participation at the 2017 OCTM State Mathematics Tournament!

Sincerely,

Chris Bolognese, NBCT
OCTM State Tournament Of Mathematics Director
